News & Programs from the Grenville Baker Boys & Girls Club

## A Season of Peace, Joy and Hope

The meaning of the holidays was well served this season with a very successful Thanksgiving dinner and Holiday event. The Thanksgiving dinner with all the trimmings was served family style to over three hundred people. In addition to serving dinner, the Club, with the help of the Locust Valley School District, identified 110 families that needed our support the most. We organized a community food drive to assist these families by providing them each with a food basket, including a turkey with all the trimmings and a grocery gift card so they could enjoy a complete holiday dinner at their home. Members' families were also invited to visit the food pantry and a special donation of winter coats which was initiated by Ethan Marshall and family were made available to families in need. In addition, Friends Academy donated hats and gloves.

The holiday spirit persevered into chilly December for our holiday party. On December 22 over 300 individuals joined us in celebrating various holiday

traditions. The kids and parents had the opportunity to do arts and crafts, sing carols, tell stories, and play games. They also learned about the different holidays such as Christmas, Kwanza and Hanukkah. Pictures were taken with Santa Claus and each child received a brand new present that was collected during our Holiday Toy Drive. The evening concluded with a special magic show performance by The Magic Trio.

Both events were a huge success, thanks to the outpouring of generosity from the many hard-working and organized volunteers. A special thank you goes to the following committee members and supporters whose talent, time and dedication helped so many families to have a wonderful holiday: Karoline Alexander, Derrick Arfman, Susan Carusi, Bea Fraschilla, Kathy Gelfand, Gannet Gleming, the Ingrassia Family, Toni O'Hara, Liz Materia, Elizabeth McMahon, Joanna Reeves, Jackie Telleria, Franca Trunzo, Anita Watterson and Kaye Weninger, Coldwell Banker, Big Guy Foundation, Courtney Lenoir & Generation Y Not, Island Harvest, Locust Valley Rotary Club, Locust Valley Reform Church, Locust Valley School District, Santa Claus, The First National Bank of Long Island, Western Beef and all the families who donated a Thanksgiving gift basket, toys, and refreshments!
